

Position Title: Statistician Reporting Analyst (Business Intelligence Analyst).

Tzell Travel LLC, an affiliate of Internova, seeks a Full-time Statistician Reporting Analyst (Business Intelligence Analyst) in New York, New York.

Responsibilities:

- Provide data analysis and design for business intelligence solutions
- Develop data dashboards using Power BI tools
- Quality test for reports and dashboards
- Apply mathematical and statistical theory and methods in collecting, organizing, integrating and summarizing data in reports
- Prepare travel activity reports for travel consultants and their clients and analyze and create ad-hoc report requests from travel consultants explaining the results of statistical analysis and identifying relationships and trends in the data
- Monitor system-generated reports to ensure quality control
- Administer travel technology tools related to travel agency reporting and productivity
- Support testing of statistical data enhancements
- Document new reporting requirements, as needed
- Assist with the day-to-day administration of travel reporting systems
- Other duties, as assigned

Qualifications

- Must have proof of legal authority to work in the U.S. Bachelor's degree (U.S. or foreign equivalent) in MIS, Statistics, Business Analytics, or a closely related field with at least 2 years of experience querying relational databases using SQL, and developing financial or statistical modeling; **OR**
- Master's degree (U.S. or foreign equivalent) in MIS, Statistics, Business Analytics, or a closely related field including the following coursework: Database Management, Data Warehousing, Data Mining for Business, and Business Intelligence & Data Analytics or comparable courses or 6 month internship(s) developing financial or statistical modeling. (In lieu of the internship, 6 months of work experience developing financial or statistical modeling would also be acceptable).
- No experience required for those with a master's and the qualifying coursework or internship.

Interested candidates should apply by sending resume to [HR@globaltravelcollection.com](mailto:HR@globaltravelcollection.com) and reference the position (Statistician Reporting Analyst (Business Intelligence Analyst)). This position is for full-time employment by Tzell Travel LLC, an affiliate of Internova, for employment in New York, New York. EOE.
